## Gift Ideas your Dad will love this Father's Day

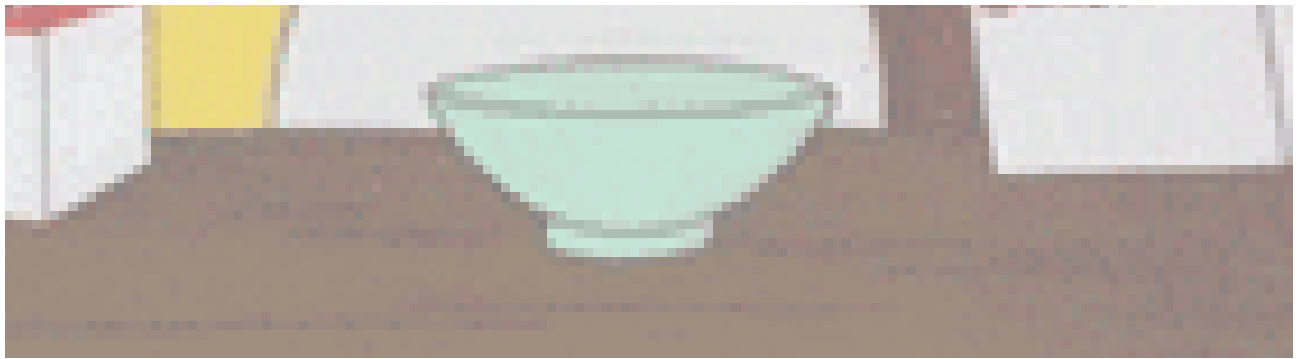

By MADDY REMEDIOS

### Here are the top gift ideas your Dad will love this Father's Day

Dads are one in a million, they always look out for your best interests and never ask for reward or praise. As such, give a gift that Dad will love and take his mind off the pandemic.

T House Father's Day Apron RRP: \$55

T House Apron

Founder of T House, Tina Nettlefold, created this functional and stylish apron in Australia using ethically sourced and sustainable material. Every cent is donated to Eat Up Australia, a charity supporting hungry school children across the country.

The T House apron is the perfect gift for a Dad that is a culinary wizard as well as a generous soul.

It's the gift that keeps on giving.

**House of Knives RRP: \$20 - \$1,500**

House of Knives

House of Knives is an Australian retailer that offers the best-handpicked quality kitchenware whilst remaining affordable.

They showcase everything from cutting boards to cleaning products but specialise in offering premium-grade knives that are sharp and durable. You're bound to find a gift your Dad will love for Father's Day.
